

Fig. 1

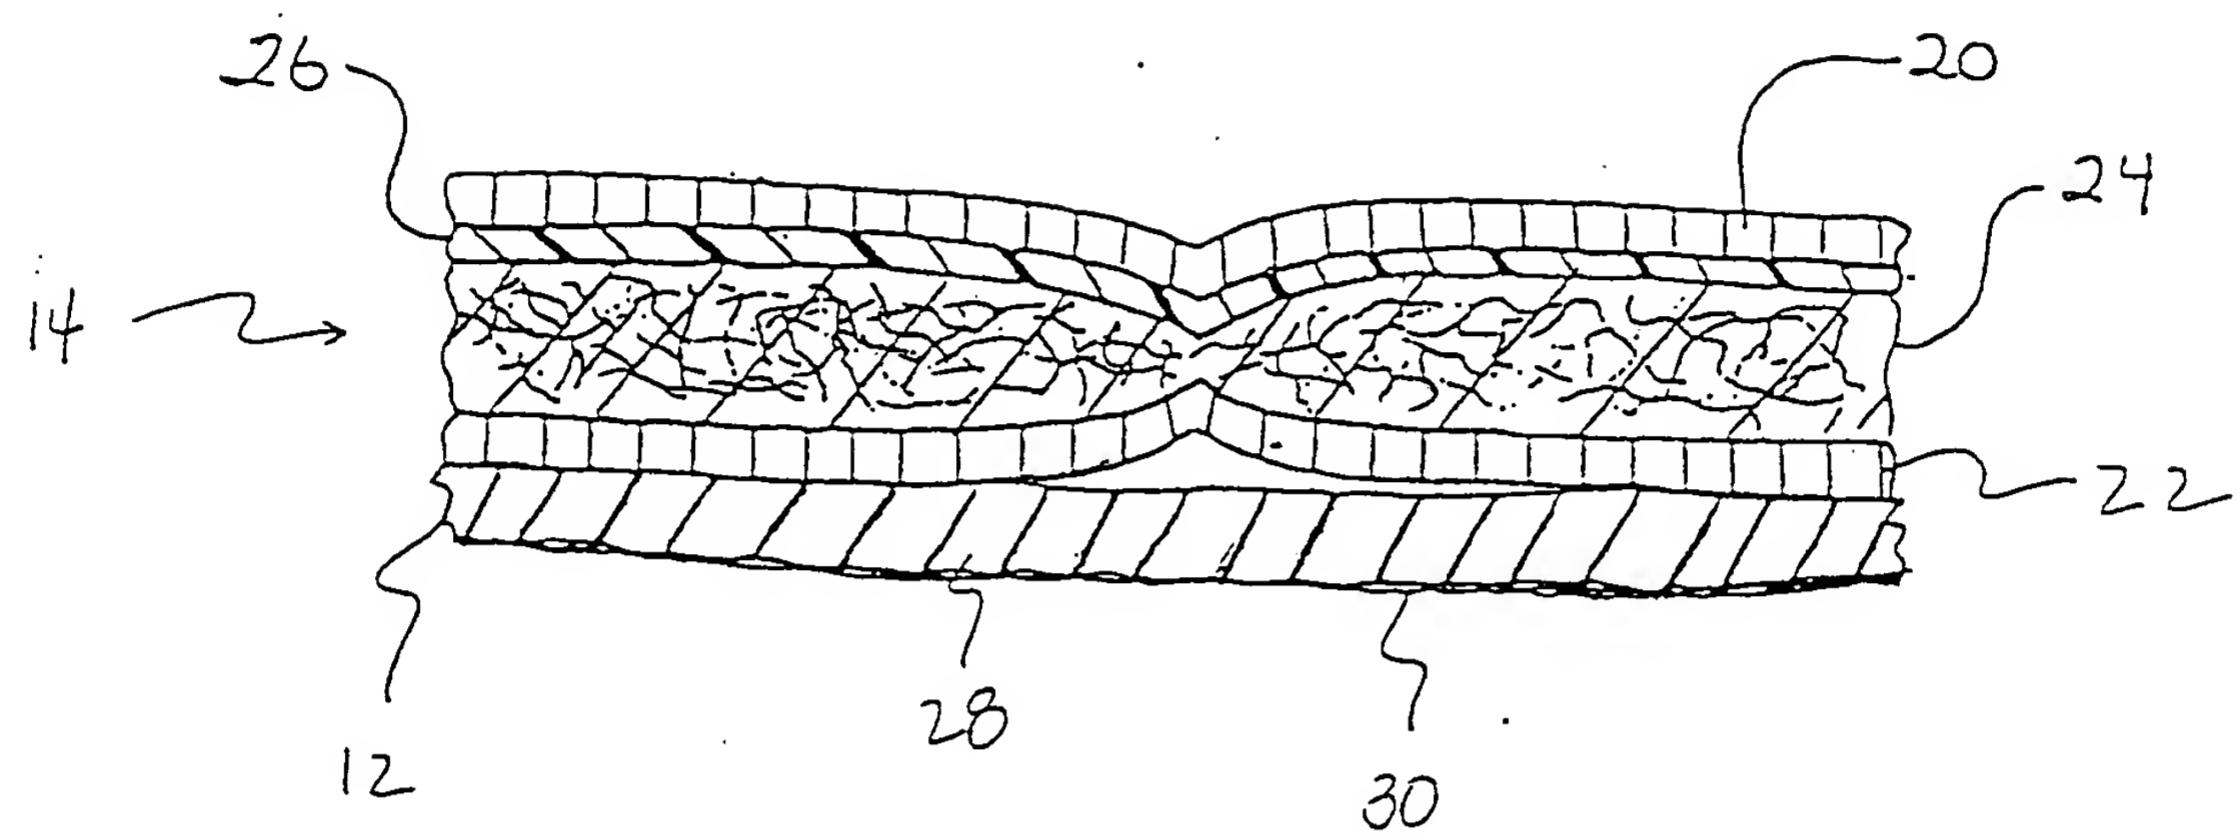

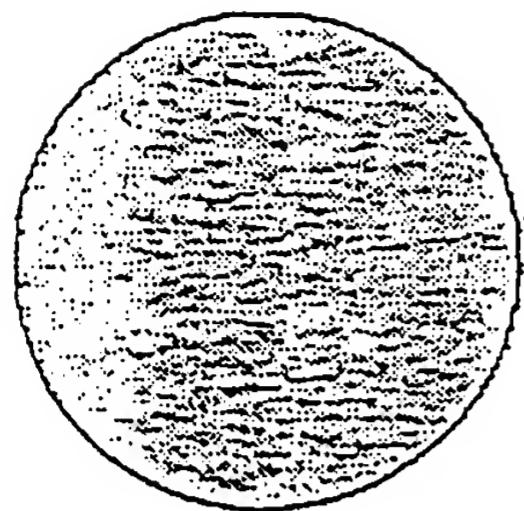

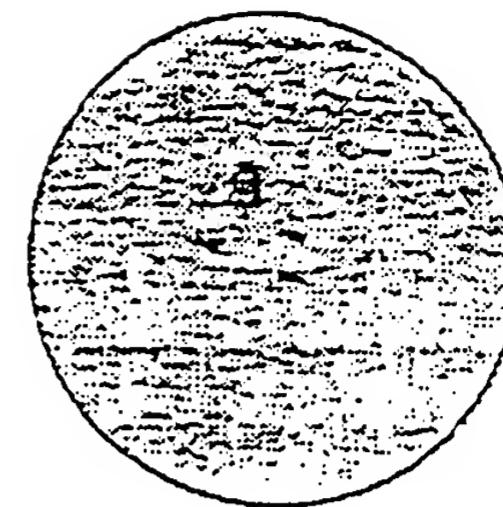

Fig. 2

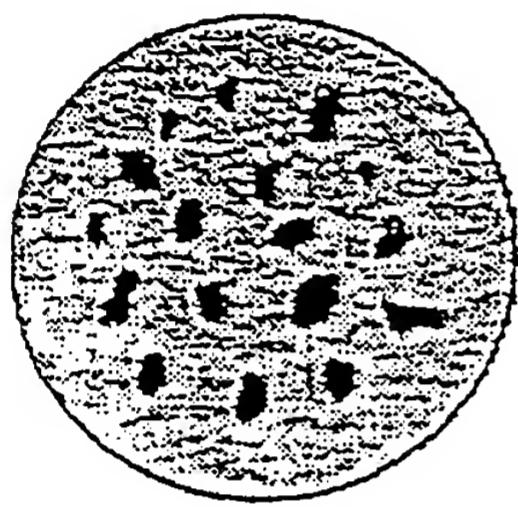

100  
No sticking or wetting of upper surface

Figure 3A

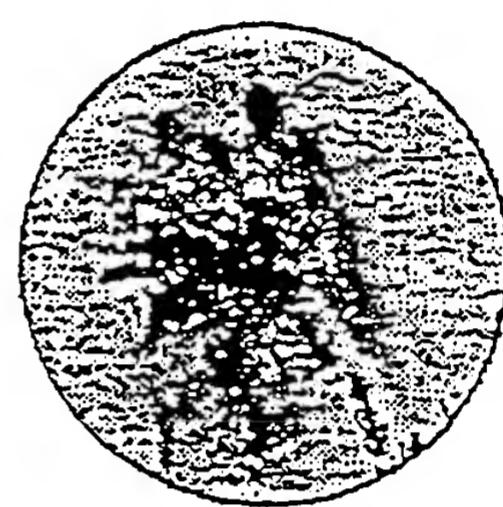

90  
Slight random sticking or wetting of upper surface

Figure 3B

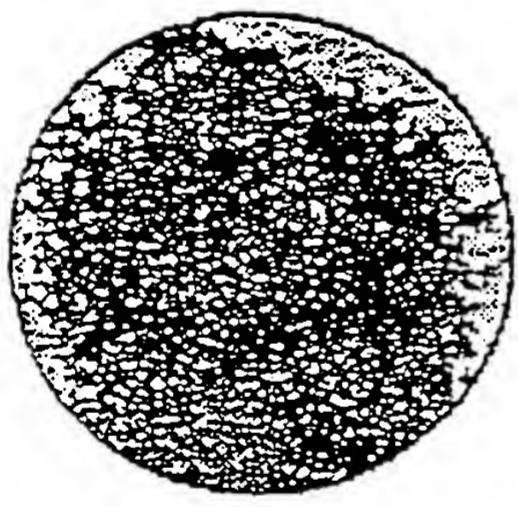

80  
Wetting of upper surface at spray points

Figure 3C

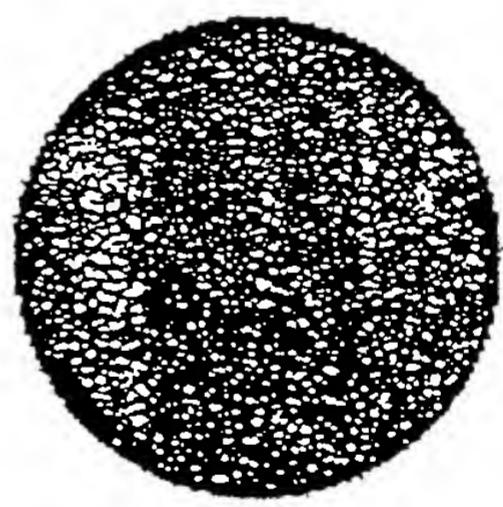

70  
Partial wetting of whole of upper surface only

Figure 3D

50  
Complete wetting of whole of upper surface only

Figure 3E

0  
Complete wetting of whole of upper and lower surfaces

Figure 3F
